You Can Change *A Life.*

You are not just filling a seat at a table.
You are stepping into the life of a child
who has no safety net, no guarantee of a
meal at home, and no one to advocate
for them — until you do. Every dollar you
commit funds real meals, real teachers,
real healthcare, and real opportunities for
orphaned and vulnerable children in
South Africa.

***"One act of kindness changes
everything — one child at a time."***
